

# Tanush Goel

[www.linkedin.com/in/tanushgoel](https://www.linkedin.com/in/tanushgoel)

## EDUCATION

---

University of California, Irvine

Graduation: 2025

B.Sc Computer Science

Specialization: Artificial Intelligence

## PROFESSIONAL EXPERIENCE

---

### DPS Ghaziabad

- Worked as intern in computer science lab and taught young students about Python.
- Provided a good foundation in the basics of the language for the students and worked as mentor in a group project about databases.

## PROGRAMMING KNOWLEDGE

---

GitHub Profile: <https://github.com/TanushGo>

### Python

- Have a good working knowledge of the language. Worked in many different projects, and I would say I have strong understanding of the language.

### MySQL

- Worked with the language in a few projects. Have a good understanding of DBMS, I would describe myself as proficient.

### Web Development

- Some experience with HTML, CSS and JavaScript. I would describe myself as a beginner in web development.
